Subject: RE: Riemer Amendments to AJR 79

I just got one more from Daniel. This one is needed by tomorrow morning. The amendment to add a clause that would require a 2/3 majority for "a freeway improvement project with an estimated cost exceeding \$500,000,000 in 2011 dollars indexed annually to the cost of construction inflation."

Steve-

Also, Rep. Riemer needs a couple of other amendments to AJR 79 for tomorrow. These amendments are the same amendments (AA 1 – AA 4) that were offered to January 2011 Special Session Bill AB 5. We also need an amendment that would require a 2/3 majority for voucher expansion. I am not sure if that can be incorporated into the language of one of these amendments, or needs to be a separate one.

Finally, the language from Senate Amendment 4 to 2011 SS AB 5 will be needed.

Thanks so much Steve.

Steve-

Thanks for your help on this. The two amendments for tomorrow are as follows:

Amendment 1
Page 2, Line 4: Change two-thirds to 37/73 (this makes it one more than simple majority)

Amendment 2
Page 2, Line 2: After "increases," add "or decreases."
